Would you like to know more about engineering and what you can do as an engineer?
If you like designing solutions to problems, want to contribute to society and make a difference to the world, come see what engineering is about at the Experience It! student conference.

What you will do
It will be a day of fun, interactive hands-on workshops and team-based activities, exploring the peculiar and bizarre applications of engineering!

Hear from current engineering students and our industry representatives, learn what careers and opportunities are available to you and be inspired by their journeys and achievements.

Who is this for?
This conference is aimed at NSW secondary school females in Years 9-12. No prior engineering, maths or physics experience is required and students will have the opportunity to do workshops based on their areas of interest. You’ll also get to work as a team in challenges to win some great prizes!

Do you live or go to school more than 100 km from UNSW? You may be eligible for our Rural Scholarship to offset the cost of travels, please apply on the registration webpage.
