Introducing Flexischools

NGS has engaged with Flexischools, Australia’s leading school payment system, to provide a new cashless way for you to pay for school services. Initially this service will be introduced in Hill and Park Campus canteens with the uniform shop, ticket sales and more to follow at a later date.

Flexischools is the fast, convenient and secure way to order and pay for school services from home on your computer, tablet or mobile 24/7.

How it works

- Parents set up a Flexischools account online and pre-load the account with funds.
- Parents can use the funds to order and pay for a range of services online, currently set up for the canteens.
- Orders can be viewed online and a daily spending limit can be set- (this is a good option for older students.)
- Parents can set up a log in for students to make their own orders.
- Orders for lunch and recess close at 9.30am each morning, with the exception of specials and sushi which close the day prior.

The NGS Flexischools menu has additional items and specials only available to those who order online, including the new "Make Your Own" salads, wraps, sandwiches and rolls section.

One of the biggest advantages of ordering with Flexischools for students is that their order will be ready for collection at the start of lunch, meaning less time in the canteen line and more time to enjoy the break.

- Short term the canteen will continue to operate as normal with this additional option available, by term 4 paper orders will be phased out.
- No accounts or IOU’s will be available. If a student forgets their lunch they need to see Mrs McGowan (Hill) or Mrs Foster (Park), they will be supplied with a survival lunch of a basic sandwich and piece of fruit, $4.00 will be charged to the families school account.

What does it cost?

Online Ordering Fees - $0.25 per order

Credit card (visa/mastercard) $0.29
