NEWCASTLE GRAMMAR SCHOOL
EXAMINATION RULES
YEARS 7 – 10

Examination Room Procedures

Students are to arrive promptly at the examination room and move quietly to their allocated seat.

No communication is allowed between students during the examination.

Students are requested to switch off watches that may beep.

Students are not permitted to eat in the examination room. Students may take one bottle of water into the examination room. The water must be in a clear container.

Students are not permitted to leave the examination room early.

Any breach of examination rules and procedures, including malpractice will be reported to the Head of Learning and may result in the cancellation of the student’s paper.

Private Study – Students in Years 7-9 will undertake private study at School when they do not have an examination.

Equipment

Students are not permitted to take bags, mobile phones, study notes, paper or textbooks into the examination room. Any equipment brought into the examination room will be subject to inspection before the examination commences.

Students are permitted to take the following equipment into the examination room: ruler, calculator and clear, see-through pencil case with pens, pencils, erasers, a sharpener and highlighters.

No student is permitted to borrow any equipment from another student during an examination.
